Your Safety Is Our Top Priority!

- Help us make your trip safer! - Step over the gap between the train and platform when boarding and exiting. - Never stand at the edge of a platform, or lean over a platform to see if your train is coming. - Please safeguard your property, including your electronic devices. - Never attempt to retrieve something from the track area. If you drop something onto the tracks, notify a LIRR employee for assistance. - Never lean against standing trains. - Be extra careful in the winter, especially if ice forms on stairs and platforms. - Obey posted instructions if the platform is undergoing rehabilitation.

Before Boarding Your Train

Station platforms are accessible to mobility-impaired customers. Please inform the conductor if you need assistance on and off trains. Penn Station is accessible through the 34th Street entrance near 7th Avenue and the 33rd Street entrance at 8th Avenue.

Ticket purchases on board trains will cost more. To save money, buy before boarding at ticket offices and machines.

Westbound PEAK AM electric trains displaying white and red headlights simultaneously are short of cars. If red lights appear, you may need to reposition yourself on the platform to board.

The LIRR is a smoke-free public transportation system. Smoking is prohibited at all times on all trains; in all waiting rooms, elevators, staircases and enclosed waiting areas; and in outdoor ticketing, boarding and platform areas of terminals and stations.

On Your Train

Please make sure that your ticket is available for immediate presentation to the conductor. If you change seats or trains en route, hold on to your ticket for presentation to avoid paying an additional fare. On trains that stop at Jamaica, tickets are inspected both before and after the Jamaica stop.

Quiet Cars are available on weekday AM Peak (FIRST CAR) and PM Peak (LAST CAR) single-level electric trains to/from Penn Station, Grand Central and Atlantic Terminal. Customers should disable the sound on electronic devices; use headphones at a low volume; speak in a subdued voice; refrain from talking on cell phones. Quiet Car is the registered service mark of the National Railroad Passenger Corporation (Amtrak) and is being used by permission.

Most LIRR trains have restrooms in every other car. These are always the odd-numbered cars. Check the car number on the outside or the inside of the car to locate a restroom-equipped car.

Luggage should be stored in overhead racks and not take up seat space or block the aisles or doorways of trains. Luggage may not be left unattended. Bags and containers are subject to random search by MTA police.

At Your Destination

Please carefully check to ensure you do not leave anything behind. Should you forget something, our Lost & Found Office in Penn Station will be happy to help. Open weekdays 7:20 AM - 7:20 PM or call 511 (Say "LIRR" then "Lost & Found").

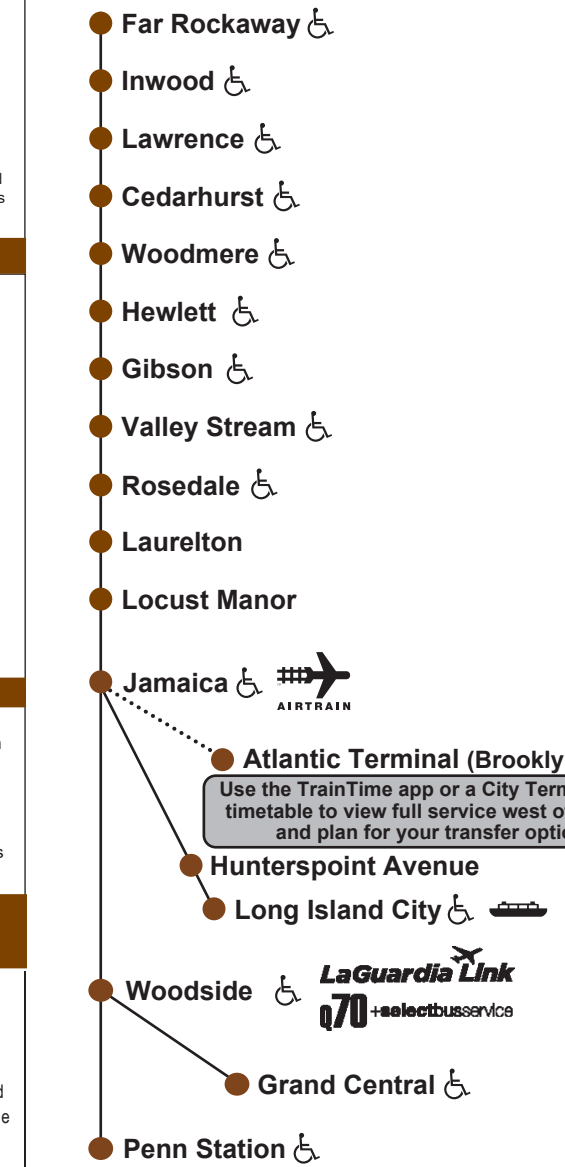

Please help us keep our trains clean by taking coffee cups, paper bags or other disposable items and depositing them in the receptacles on the station platform.
