ARTICLE II

AUTHORIZATION AND ISSUANCE OF OBLIGATIONS

Section 201. Authorization of the Obligations. (1) The Resolution hereby authorizes Obligations of the Issuer designated as “Sales Tax Revenue Bonds (TBTA Capital Lockbox – City Sales Tax)”, which Obligations, if and when authorized by the Issuer pursuant to one or more Supplemental Resolutions, to be issued as Tax-Exempt Obligations, as Taxable Obligations, as obligations which convert on a particular date or dates from Taxable Obligations to Tax-Exempt Obligations, or as Taxable Obligations which are mandatorily exchangeable on a particular date or dates for Tax-Exempt Obligations, or otherwise as determined by Supplemental Resolution and not contrary to the Resolution as then in effect. The Obligations shall be special obligations of the Issuer payable solely from the Obligations Trust Estate pledged to the payment thereof pursuant to subsection 1 of Section 501. The aggregate principal amount of the Obligations which may be executed, authenticated and delivered under the Resolution is not limited except as provided in the Resolution or as may from time to time be limited by law.

(2) The Obligations may, if and when authorized by the Issuer pursuant to one or more Supplemental Resolutions, be issued in one or more Series or subseries, and the designations thereof, in addition to the name “Sales Tax Revenue Bonds (TBTA Capital Lockbox – City Sales Tax)”, shall include such further or different designations in such title for the Obligations of any particular Series or subseries as the Issuer may determine. Each Obligation shall bear upon its face the designation so determined for the Series or subseries to which it belongs.

(3) Nothing in the Resolution shall be deemed to prevent the consolidation into a single Series or subseries for purposes of issuance and sale of Obligations otherwise permitted by the Resolution to be issued at the same time in two or more separate Series or subseries. In the event that separate Series or subseries are combined for purposes of issuance and sale, they may be issued under a single Supplemental Resolution notwithstanding any other provision of the Resolution. Nothing in the Resolution (except to the extent required by Supplemental Resolution) shall be deemed to prevent the separation into separate Series or subseries for purposes of issuance and sale Obligations otherwise permitted by the Resolution to be issued in one Series or subseries.

(4) Obligations may be issued for any of the purposes set forth in Sections 203 and 204.

(5) All Obligations and Parity Debt authorized to be issued under this Resolution shall be issued as fixed interest rate Obligations and Parity Debt.

Section 202. General Provisions for Issuance of Obligations. Obligations may be issued pursuant to a Supplemental Resolution upon satisfaction of the provisions of Section A-201, except that the Opinion of Bond Counsel required by Section A-201.2(a)(iii) shall be to the effect that the Obligations are valid, binding, *special obligations* of the Issuer, enforceable in accordance with their terms and the terms of the Resolution and entitled to the benefits of the Issuer Act and the Resolution as amended to the date of such Opinion of Bond Counsel.

Section 203. Special Provisions for Capital Cost Obligations. (1) The Obligations of one or more Series may at any time, or from time to time, be authenticated and delivered upon original issuance pursuant to this Section 203 to pay, or to provide for the payment of, all or part of the Capital Costs relating to the Central Business District Tolling Program or the TBTA Transit and Commuter Project, in each case only upon receipt by the Trustee (in addition to the items required by Section 202 and subsection 2 of this Section 203) of the following:

(a) A certificate of an Authorized Officer setting forth the following for the then current and each future Bond Year during which the Obligations to be authenticated and delivered will remain Outstanding:

(i) the aggregate principal amount of all Obligations and Parity Debt of all Series to be Outstanding;

(ii) the Annual Debt Service for such Obligations and Parity Debt for each Bond Year; and

(iii) the Statutory Annual Deposit Amount corresponding to each Bond Year that the Obligations and Parity Debt being issued will be Outstanding.

In the case of (i) and (ii) above, amounts attributable to the proposed Capital Cost Obligations and any proposed Refunding Obligations being treated as Capital Cost Obligations for purposes of clause (ii) of paragraph (e) of subsection 2 of Section 204 hereof shall be included, but the calculation shall exclude any Obligations or Parity Debt to be refunded with the proceeds of such Refunding Obligations.

(b) A certificate of an Authorized Officer stating that, for the then current and each future Bond Year during which the Obligations to be authenticated and delivered will remain Outstanding, the corresponding Statutory Annual Deposit Amount set forth in (a)(iii) above (plus the amounts, if any, funded from the proceeds of Obligations to be issued or other available moneys of the Issuer that will be applied to the payment of Annual Debt Service) are equal to or greater than the corresponding Annual Debt Service for such Obligations and Parity Debt set forth in (a)(ii) above.

(c) A certificate of an Authorized Officer stating that the expected timing of Sales Tax Receipts required to be transferred to the Trustee shall, if received in amounts and on the dates required by the applicable statute, be sufficient to provide for the timely payment of Debt Service on each date in which Interest and Principal Installments are payable.

(2) Regardless of the type of Capital Costs being financed, the Obligations of each Series delivered pursuant to subsection (1) of this Section 203 shall be authenticated and delivered by the Trustee only upon receipt by the Trustee (in addition to the items required by Section 202) of a certificate of an Authorized Officer to the effect that the Issuer then is, and upon the authentication and delivery of the Obligations of such Series shall be, in compliance with all applicable provisions of the Issuer Act relating to the issuance, sale and delivery of such Obligations.

Section 204. Refunding Obligations. (1) In addition to Capital Cost Obligations and refundings permitted under Section 203, one or more Series of Refunding Obligations (in an aggregate principal amount which will provide funds, together with other money available therefor, to accomplish such refunding) may be authenticated and delivered upon original issuance to refund (including by redemption, payment at maturity or in connection with exchanges or tenders) all or any portion of any Outstanding Obligations or Parity Debt.

(2) In addition to the requirements of Section 202, the Refunding Obligations of each such Series shall be authenticated and delivered by the Trustee only upon receipt by the Trustee of the following:

(a) If the Obligations or Parity Debt to be refunded are to be redeemed, instructions to the Trustee and/or trustee for the Parity Debt, satisfactory to it, to give due notice of redemption of all the Obligations or Parity Debt to be refunded on the redemption date or dates specified in such instructions;

(b) If the Obligations or Parity Debt to be refunded are to be deemed paid within the meaning of the second sentence of subsection 2 of Section A-1101 or similar provision with respect to Parity Debt, irrevocable instructions to the Trustee and/or the trustee for the Parity Debt, satisfactory to it, to provide notice in the manner provided in the second sentence of subsection 2 of Section A-1101 or similar provision with respect to Parity Debt with respect to the payment of such Obligations or Parity Debt pursuant to such Section or provision;

(c) If the Obligations or Parity Debt to be refunded are to be deemed paid within the meaning of the second sentence of subsection 2 of Section A-1101 or similar provision with respect to Parity Debt, either (i) money and/or (ii) Defeasance Securities as shall be necessary to comply with the provisions of the second sentence of subsection 2 of Section A-1101 or defeasance securities as shall be necessary to comply with any similar provision with respect to Parity Debt, which money and Defeasance Securities (or defeasance securities) shall be held in trust and used only as provided in said subsection 2 of Section A-1101 or similar provision with respect to Parity Debt;

(d) If the proceeds of such Series of Refunding Obligations are to be utilized by the Issuer to purchase (in connection with a tender for or redemption of Obligations or Parity Debt, or otherwise) Obligations or Parity Debt to be delivered to the Trustee in satisfaction of a Sinking Fund Installment in accordance with subsection 3 of Section A-502 or similar provision with respect to Parity Debt, a certificate of an Authorized Officer specifying the matters required thereby; and

(e) Either

(i) a certificate of an Authorized Officer (A) setting forth for the then current and each future Bond Year (1) the Annual Debt Service on the Obligations and Parity Debt (*including* the Refunding Obligations then proposed to be issued *but not including* the Obligations and Parity Debt to be refunded) and (2) the Annual Debt Service on the Obligations and Parity Debt as calculated immediately

prior to the issuance of the Refunding Obligations (*including* the Obligations and Parity Debt to be refunded *but not including* the Refunding Obligations) and (B) stating that for the then current and each future Bond Year the Annual Debt Service set forth pursuant to (1) above is not greater than the Annual Debt Service set forth pursuant to (2) above; or

(ii) upon satisfaction of the requirements of Section 203 with respect to such Series of Refunding Obligations, considering for all purposes of any certificate delivered pursuant to subsection 2 of Section 203 that (A) such Series of Refunding Obligations is a Series of Capital Cost Obligations and (B) the Refunding Obligations then proposed to be issued will be Outstanding but the Obligations or Parity Debt to be refunded will no longer be Outstanding.

The proceeds, including accrued interest, of the Refunding Obligations of each such Series shall be applied simultaneously with the delivery of such Obligations in the manner provided in the Supplemental Resolution authorizing such Obligations.

ARTICLE III

FORM OF OBLIGATIONS

Section 301. Form of Obligations. Subject to the provisions of the Resolution and except as otherwise provided pursuant to a Supplemental Resolution, each Series of Obligations shall be issued as fully registered securities in substantially the form provided in **Exhibit One** appended hereto. Any Authorized Officer executing and delivering any such Obligations may make such changes in the form thereof as deemed necessary or convenient by such Authorized Officer, including changes to conform with (i) the terms of sale, (ii) the provisions of the related Supplemental Resolution, (iii) the requirements of the related Securities Depository, provider of a Credit Facility or Rating Agency, (iv) industry practice or (v) federal, State or City regulatory requirements, and the execution (whether manual or by facsimile), and delivery of, any such obligations shall be conclusive evidence of the approval of all terms thereof by such Authorized Officer.

REDEMPTION AT DEMAND OF THE STATE OR THE CITY

Section 401. Redemption at Demand of the State or the City. (1) There are hereby pledged for the payment of the principal and Redemption Price of, and interest on, and Sinking Fund Installments for, the Obligations and, on a parity basis, Parity Debt, in accordance with their terms and the provisions of the Resolution, subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution, all right, title and interest of the Issuer in the Obligations Trust Estate.

(2) The pledge created by subsection 1 of this Section 501 shall in all respects secure on *a pari passu* basis all of the Obligations and Parity Debt and, except as expressly so provided, nothing contained in the Resolution shall be deemed to confer on the Owners of any Obligations or Parity Debt any rights in the Obligations Trust Estate superior or inferior to the Owners of any other Obligations or Parity Debt.

(3) The pledge created by subsection 1 of this Section 501 shall be valid and binding from and after the date of issuance and delivery of the first Obligations, and the Obligations Trust Estate shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Issuer irrespective of whether such parties have notice thereof.

(4) Subject to the provisions of subsection 1 of this Section 501, the Obligations Trust Estate is and will be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge created by the Resolution, and all corporate action on the part of the Issuer to that end has been duly and validly taken.

(5) Nothing contained in this Section 501 shall be construed as limiting any authority granted to the Issuer elsewhere in the Resolution to issue or incur Obligation Anticipation Notes, Subordinated Indebtedness or Subordinated Contract Obligations or shall be deemed a limitation upon the authority of the Issuer to issue any other bonds, notes or other obligations under the Issuer Act secured by any income and funds other than the Obligations Trust Estate.

Section 502. Establishment of Funds and Accounts.

(1) The following funds are hereby established:

- (a) Revenue Fund, which shall be held and administered by the Trustee;
- (b) Senior Lien Debt Service Fund, which shall be held and administered by the Trustee;

- (d) Excess Revenues Fund, which shall be held and administered by the Trustee.

(2) There is hereby established in the Obligations Proceeds Fund, the Obligations COI Account.

(3) Amounts held at any time by the Issuer or the Trustee in any of the Funds or Accounts established pursuant to this Section shall be held in trust separate and apart from all other funds. Additional funds, accounts or subaccounts may be established by the Issuer in its discretion pursuant to this Section upon the delivery of a certificate to the Trustee or by Supplemental Resolution.

(4) Except as otherwise provided herein or in a Supplemental Resolution, all investment income earned on amounts on deposit in the Funds, Accounts or Subaccounts established under the Resolution shall remain on deposit in such Funds, Accounts or Subaccounts and applied in accordance with the provisions applicable to such Funds, Accounts or Subaccounts.

Section 503. Revenue Fund.

(1) Beginning on April 1 of each State Fiscal Year, the Issuer shall, promptly after receipt of the Sales Tax Receipts, transfer, or cause to be transferred, from the Central Business District Tolling Capital Lockbox Fund to the Trustee, the full amount of such Sales Tax Receipts for deposit into the Revenue Fund.

(2) Amounts in the Revenue Fund, when received by the Trustee, constituting Sales Tax Receipts shall be promptly transferred for the following purposes and in the following order of priority:

(a) transfer to the Senior Lien Debt Service Fund the amount, if any, required so that the amount on deposit in said Fund shall equal the Senior Lien Debt Service Fund Balance Requirement;

(b) transfer, free and clear of any lien, pledge or claim of the Resolution securing Obligations or Parity Debt, to another Person in accordance with any Supplemental Resolution or other authorizing document creating Obligation Anticipation Notes, Subordinated Indebtedness or Subordinated Contract Obligations the amount, if any, required for payment of or accrual for payment of principal of and interest on any Obligation Anticipation Notes, Subordinated Indebtedness or for payment of amounts due under any Subordinated Contract Obligation; and

(c) after the transfers made in clauses (a) and (b) above, transfer all moneys to the Excess Revenues Fund, which moneys shall be released from the lien of this Resolution.

(3) Amounts in the Revenue Fund shall, at the direction of the Issuer, be invested in Authorized Investments. Earnings on money and investments in the Revenue Fund shall be retained in the Revenue Fund. The Issuer may direct the Trustee to sell any such Authorized Investments at any time and the proceeds of such sale and of all payments of principal or interest received at maturity or upon redemption or otherwise of such Authorized Investments shall be deposited in the Revenue Fund.

Section 504. Obligations Proceeds Fund. (1) The Issuer shall pay into the Obligations Proceeds Fund (and any designated Account or subaccount thereof) the amounts required to be so paid by the provisions of the Resolution or any Supplemental Resolution authorizing the issuance of any Series of Obligations for the purpose of financing Capital Costs relating to the Central Business District Tolling Program and the TBTA Transit and Commuter Project. The portion of any such amount determined by Supplemental Resolution to be used for the payment of Costs of Issuance shall be paid into and disbursed from the Obligations COI Account.

(2) Unless otherwise provided in a Supplemental Resolution or in a resolution authorizing Obligation Anticipation Notes, amounts in the Obligations Proceeds Fund shall be applied solely to pay Capital Costs relating to the Central Business District Tolling Program and the TBTA Transit and Commuter Project, as applicable. Any amounts in the Obligations Proceeds Fund which are in excess of the amounts required to pay for such costs may at the direction of an Authorized Officer be transferred to the Revenue Fund or the Senior Lien Debt Service Fund. Upon the direction of an Authorized Officer, amounts in the Obligations Proceeds Fund shall be invested in Authorized Investments. Except to the extent that a certificate of an Authorized Officer or a Supplemental Resolution provides that earnings on money and investments in the Obligations Proceeds Fund shall be deposited in the Revenue Fund or the Senior Lien Debt Service Fund, such earnings shall be retained in the Obligations Proceeds Fund. Upon the direction of an Authorized Officer, the Issuer may, and to the extent required for payments from the Obligations Proceeds Fund shall, sell any such obligations at any time, and the proceeds of such sale, and of all payments of principal or interest received at maturity or upon redemption or otherwise of such obligations shall be deposited in the Obligations Proceeds Fund.

(3) When amounts are deposited in the Obligations Proceeds Fund to pay the capitalized cost of interest on Obligations of the Issuer, the Issuer shall pay from the Obligations Proceeds Fund to the Paying Agent, on or before the date or dates on which interest on such Obligations becomes due and payable, an amount equal to such interest.

(4) Notwithstanding the above provisions of this Section but subject to any priority for Obligation Anticipation Notes, amounts in such Obligations Proceeds Fund must be applied to the payment of principal and Redemption Price of and interest on the Obligations and the payment of Parity Debt, on a parity basis, when due at any time that other money is not available therefor.

Section 505. Senior Lien Debt Service Fund. (1) The Trustee shall pay out of the Senior Lien Debt Service Fund to the respective Paying Agents (i) on or before each interest payment date for any of the Obligations or Parity Debt the amount required for the interest payable on such date unless such interest is paid pursuant to subsection 3 of Section 504, (ii) on or before each principal payment due date for any of the Obligations or Parity Debt the amount required for the principal amount (including the portion thereof payable in respect of a Parity Reimbursement

Obligation) payable on such date, and (iii) on or before any redemption date for the Obligations or Parity Debt the amount required for the payment of the Redemption Price of and interest on the Obligations or Parity Debt then to be redeemed.

(2) In the event of the refunding (including in connection with any payment at maturity, redemption, purchase, tender or exchange) of any Obligations, the Trustee may withdraw from the Senior Lien Debt Service Fund all or any portion of the amounts accumulated therein with respect to the Debt Service on the Obligations being refunded and (a) deposit such amounts, free and clear of any lien, pledge or claim of the Resolution, with itself or an escrow agent to be held in trust solely for the purchase, exchange or payment of the principal or Redemption Price, if applicable, of and interest on the Obligations being refunded, (b) apply such amounts to pay the Costs of Issuance of the Refunding Obligations, or (c) deposit such amounts in any Fund or Account established hereunder; *provided, however, that* no such withdrawal or deposit shall be made unless (i) upon such refunding, the Obligations being refunded shall be deemed to have been paid within the meaning and with the effect provided in Section A-1101 and (ii) at the time of and giving effect to such withdrawal and refunding, there shall exist no deficiency in any Fund or Account established under the Resolution.

Section 506. Subordinated Indebtedness; Subordinated Contract Obligations.

(1) The Issuer may, at any time, or from time to time, issue Subordinated Indebtedness or incur Subordinated Contract Obligations payable out of, and which may be secured by a pledge of and lien on, such amounts as may from time to time be available for transfer pursuant to clause (c) of subsection 2 of Section 503, as specified with respect to any such Subordinated Indebtedness or Subordinated Contract Obligations by Supplemental Resolution or an Authorized Officer; *provided, however, that* (a) such pledge shall be, and shall be expressed to be, subordinate in all respects to the pledge created by the Resolution as security for the Obligations and Parity Debt and (b) to the extent provided by Supplemental Resolution, any amounts so transferred shall thereafter be free and clear of any lien, pledge or claim of the Resolution. The Issuer may establish such priorities of payment and security among Subordinated Indebtedness and Subordinated Contract Obligations as it deems appropriate.

The Issuer is duly authorized under all applicable laws to create and issue the Obligations, adopt the Resolution and pledge the Obligations Trust Estate in the manner and to the extent provided in the Resolution. The Obligations Trust Estate, except to the extent provided in Sections 501 and 602, is and will be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge created by the Resolution, and all corporate action on the part of the Issuer to that end has been and will be duly and validly taken. The Obligations and the provisions of the Resolution are and will be the legally valid and binding special obligations of the Issuer enforceable in accordance with their terms and the terms of the Resolution. The Issuer shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Obligations Trust Estate and all the rights of the Owners of Obligations under the Resolution against all claims and demands of all Persons whomsoever.

Section 602. Creation of Liens, Issuance of Subordinated Indebtedness, Subordinated Contract Obligations and Other Debt. The Issuer shall not issue any bonds or other evidences of indebtedness, other than the Obligations and Parity Debt as provided herein, secured by a pledge of the Obligations Trust Estate, respectively, and shall not create or cause to be created any lien or charge on the Obligations Trust Estate, except to the extent provided in Section 501; *provided, however, that* the Issuer may, at any time, or from time to time, incur Subordinated Indebtedness or enter into Subordinated Contract Obligations payable out of and which may be secured by a pledge of, such amounts as may from time to time be available for the purpose of the payment thereof in accordance with clause (c) of subsection 2 of Section 503 and such pledge shall be, and shall be expressed to be, subordinate in all respects to the pledge created by the Resolution as security for payment of the Obligations and Parity Debt; and *provided further that* nothing contained in the Resolution shall prevent the Issuer from issuing (i) bonds, notes, or other obligations or evidences of indebtedness under another and separate resolution to finance Subordinated Obligations, or (ii) other bonds, notes, or other obligations or evidences of indebtedness under another and separate resolution payable from, among other sources, money released from the lien of this Resolution pursuant to clause (c) of subsection 2 of Section 503.

Section 603. Agreement of the State; Limited Waiver by Owners. The Issuer does hereby incorporate herein the pledges, covenants and agreements of the State with the Owners of the Obligations and Parity Debt set forth in §§563 and 566-a of the TBTA Act as though set forth in full herein. Notwithstanding the provisions of the agreement of the State contained in subdivisions 2 and 3 of §563 of the TBTA Act, all Owners, by their acceptance and holding of the Obligations and Parity Debt, consent to the construction and operation by the Issuer (or to the construction by Persons other than the Issuer if the Issuer shall have assumed the operation thereof), and waive any and all rights under said subdivisions of said §563 with respect to such construction and operation, of any vehicular toll bridge or toll tunnel crossing the East River in the City of New York.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 701. Obligations Events of Default. Each of the following events is defined as and shall constitute an “Obligations Event of Default” in respect of Obligations and Parity Debt under the Resolution:

(1) if default shall be made in the due and punctual payment of the principal or Redemption Price of, or interest on, any Obligation when and as the same shall become due and payable, whether at maturity or by call for redemption, or otherwise and such default shall continue for a period of 30 days, or

(2) if default shall be made by the Issuer in the performance or observance on its part of any other of the covenants, agreements or conditions contained in the Resolution or in the Obligations, and such default shall continue for a period of 60 days after written notice thereof to the Issuer by the Trustee or to the Issuer and to the Trustee by the Owners of a majority in principal amount of the Obligations Outstanding; provided, however, that if such default shall be such that it cannot be corrected within such 60 day period, it shall not constitute an Obligations Event of Default if corrective action is instituted within such period and diligently pursued until the failure is corrected.

Section 702. Powers of Trustee.

(1) In the event that any Obligations Event of Default specified in Section 701 shall occur and be continuing, the Trustee may, and, upon written request of the Owners of a majority in aggregate principal amount of the Obligations then Outstanding, shall, in its name:

- (a) by suit, action or proceeding in accordance with the civil practice law and rules, enforce all rights of the Owners of Obligations;
- (b) bring suit upon the Obligations against the Issuer;
- (c) by action or suit, require the Issuer to account as if it were the trustee of an express trust for the Owners of the Obligations; or
- (d) by action or suit, enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Obligations;

provided, however, under no circumstances may the Trustee or any Owner or Owners declare the principal of all the Obligations then Outstanding, and the interest accrued thereon, to be due and payable immediately.

(2) Subject to the provisions of Sections 701 and A-1001 and the foregoing provisions of this Section 702, the remedies conferred upon or reserved to the Trustee in respect of any Obligations Event of Default are not intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Resolution or now or hereafter existing at law or in equity or by

statute. No delay or omission to exercise any right or power accruing upon any Obligations Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than notice as may be expressly required herein.

(3) The Trustee shall, in addition to the foregoing power, have and possess all of the powers necessary or appropriate for the exercise of any functions specifically set forth herein or incidental to the general representation of Owners of Obligations in the enforcement and protection of their rights.

(4) The Issuer covenants that if an Obligations Event of Default shall have happened and shall not have been remedied, the books of record and account of the Issuer and all other records relating to the Obligations Trust Estate shall at all times be subject to the inspection and use of the Trustee and of its agents and attorneys and, upon demand of the Trustee, the Issuer will account, as if it were the trustee of an express trust, for the Obligations Trust Estate for such period as shall be stated in such demand.

(5) The right of the Trustee to the appointment of a receiver as provided in Section 567 of the TBTA Act is hereby abrogated.

Section 703. Priority of Payments After Default on Obligations.

(1) In the event that the amounts held by the Fiduciaries shall be insufficient for the payment of interest and principal or Redemption Price then due on the Obligations and for payments then due with respect to Parity Debt, such funds (excluding funds held for the payment or redemption of particular Obligations which have theretofore become due at maturity or by call for redemption and funds which at the time of their deposit into any fund or account under the Resolution have been designated to be applied solely to the payment of the principal of and premium, if any, and interest on any series of Obligation Anticipation Notes) and any other money received or collected by the Fiduciaries, or the Trustee, after making provision for the payment of any expenses necessary in the opinion of the Trustee to preserve the continuity of the amounts to be received under the Resolution or otherwise to protect the interest of the Owners of the Obligations, and for the payment of the charges and expenses and liabilities incurred and advances made by the Fiduciaries in the performance of their duties under the Resolution, shall be applied as follows:

(a) Unless the principal of all of the Obligations shall have become due and payable:

First: To the payment to the Persons entitled thereto of all installments of interest then due with respect to Obligations and the interest components of Parity Debt in the order of the maturity of such installments and interest components, and, if the amount available shall not be sufficient to pay in full any installments and interest components due on the same date, then to the payment thereof ratably, according to the amounts due on such installments and interest components, to the Persons entitled thereto, without any discrimination or preference, except as to the

difference in the respective rates of interest specified in such Obligations and Parity Debt; and

Second: To the payment to the Persons entitled thereto of the unpaid principal or Redemption Price of any Obligations and the principal component of Parity Debt which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amount available shall not be sufficient to pay in full all the Obligations and Parity Debt due on any date, then to the payment thereof ratably, according to the amounts of principal and Redemption Price and principal component due on such date, to the Persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Obligations and the principal component of Parity Debt shall have become due and payable, to the payment of the principal and interest then due and unpaid upon the Obligations and Parity Debt without preference or priority of principal or principal component over interest or interest component or of interest or interest component over principal or principal component, or of any installment of interest or interest component over any other installment of interest or interest component, or of any Obligation or Parity Debt over any other Obligation or Parity Debt, ratably, according to the amounts due respectively for principal and interest, to the Persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Obligations and Parity Debt.

(2) The provisions of this Section 703 are in all respects subject to the provisions of Section A-602.
